Dear Friends:

I was recently contacted by Senator John Kerry regarding the tireless efforts of your organization to honor those who served aboard the United States Air Force Texas Tower #4.

For over two centuries, our Nation's sons and daughters have watched over her shores with unwavering patriotism and quiet courage. As you reflect on the 28 airmen and civilians who lost their lives half a century ago in this tragic event, I hope you take pride in your efforts to remember their service and sacrifice.

Our Nation is grateful for the dedication, pride, and commitment of all those who have risked their lives to ensure the safety of their fellow Americans.

Sincerely,
